

# VICO-SF2

## FULL HD Car Camcorder

Vico-Schedule  
SDR image process(Smart Dynamic Range)  
Quick mounting design  
New generation CMOS  
Seamless record

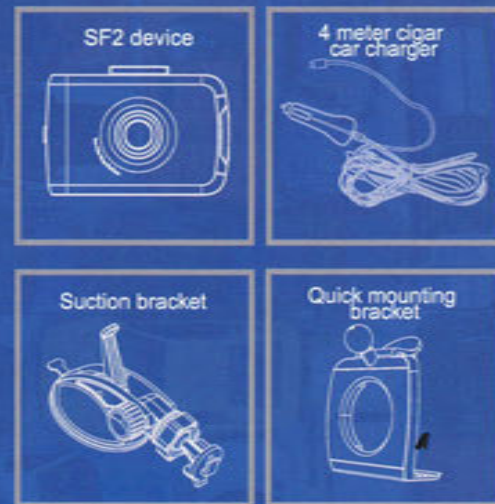

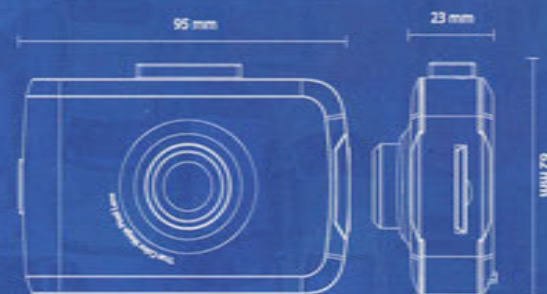

# VICO-SF2

## Specifications

Lens	F/2.2, 6G Megapixel lens
Sensor	3 Megapixel CMOS
View angle	140°
LCD monitor	2.4" TFT LCD
Output	HDMI / AV / USB2.0
Audio	Video/audio sync. Recording/mute
Certifications	CE / FCC / BSMI (D33102)
Compression	H.264 @ .MOV file
Resolution	Max. 1920 x 1080 @ 30FPS (Default) 1280 x 720 @ 30FPS
Storage	Built-in 32M memory / SDHC card up to 32GB
Frequency	NTSC / PAL
Language	English / Russian / Japanese total 15
Power	USB / cigar charger
Operation Temp.	0°C ~ 75°C
Storage Temp.	-20°C ~ 85°C
Humane Tech.	G-Sensor triggered recording / Auto recording Circular record / Emergency record Image inverse / Date stamp Vico Tag / Snapshot / Vico-Schedule
Accessories	4 meter cigar charger / Suction bracket / Quick Mounting bracket / Quick guide

# VICO-SF2

## Standard Accessories

● Warranty card x 1 ● Quick guide x 1

### ▶ SDR Smart Dynamic Range

Vico-SF2 applies SDR technology which can balance the bright and dark parts and generate high image quality.

SDR OFF

SDR ON

### ▶ Vico-Schedule

Vico-Schedule enables Vico-SF2 to have two different image parameters for day time and night time environments. Users can adjust the SDR level and EV value for day and night. The image setting will be changed automatically from day to night.

### ▶ One-snap time for installation

Vico-SF2 contains one quick mounting bracket, which makes installation and removal in one-snap time.

### ▶ 140° sees more

Vico-SF2 applies megapixel 140° view-angle lens. The field through front window is completely recorded. Even cars from left and right sides can be clearly recorded.

### ▶ New Generation CMOS Sensor, Better Image Quality

Vico-SF2 equipped with new generation 3 Mega pixels CMOS image sensor, providing superior video quality during day and night time.

### ▶ H.264 compression, less mosaic

Vico-SF2 applies new H.264 compression chipset. It provides the same image quality as DVD level's. It captures every moment with most details.

### ▶ 75°C – the proof of quality

Even if the temperature inside car in summer time goes high, Vico-SF2 never stops recording.

### ▶ Seamless record captures every second

Vico-SF2 captures every moment with high quality video. The high performance compression chipset ensures seamless record. Not a second will drop.

### ▶ Share "me-featured" video

Vico Tag embeds your name into video and let you share the video with unique origin.

### ▶ Emergency record never drops

Press orange button upon emergency; Vico-SF2 will save 30 second video before and after the moment. This file will be reserved without being recycled.

### ▶ G-Sensor, detects impact

Built-in 3 Axis G-Sensor will detect impact and trigger emergency record automatically.

### ▶ Larger monitor, clearer display

2.4" LCD monitor makes it easy to alter the field of view, change the settings, and make instant display.
